## Join Us, for the Credit Union's 66th Annual Meeting

The entire credit union benefits when members participate. That is why we invite every member to attend your annual meeting. All members are equal owners of the credit union.

The annual meeting is an occasion for management and elected officials to report to you, the owners. And it's an opportunity for you to learn the credit union's financial position, products and services, current business issues, and goals.

Without your input, leaders can only guess what you and other owners want for your credit union.
